

**As part of the 20th
Anniversary Celebration of
the DGMT
we invite you to join the**

**2020 Membrane Symposium
17th Poster Day
MEMBRANE TECHNOLOGY**

**Friday, February 7th 2020
Glaspavilion
University of Duisburg-Essen
Campus Essen
Universitätsstraße 2
45141 Essen**

Registration and further Information:

DGMT Office

Anja Cargill, Universitätsstr. 2, 45141 Essen
Office hours: Mo-Fr: 9:00 – 12:00 am
Tel: +49 (0)201.183.4299
email: info@dgmt.org
website: www.dgmt.org

For registration use our online registration system on the website. Deadline is January 24th 2020.

For further information on the 20th Anniversary Event of the DGMT on February 6th please visit the DGMT website.

Admission fee (incl. tax):

BMG / DMGT / NMG members:
75 €
Non members:
125 €
Students:
25 €

All payments are to be received before the start of the event.

Please include your name and Company / Knowledge Center as reference for your payment.

In case a payment receipt is required, please contact the DGMT office directly.

Invitation

The Belgian Membrane Group (BMG), the German Society for Membrane Technology e. V. (DGMT – Deutsche Gesellschaft für Membrantechnik) and the Dutch Membrane Society (NMG – Nederlands Membranengenootschap) invite you to the:

2020 Membrane Symposium and 17th Poster Day

Objective

The objective of the event is to present progress on membrane research and development at laboratory and industrial level. It provides a platform for networking for universities, institutes as well as industries.

BMG, DGMT and NMG share the same ambition to promote membrane technology in the broadest sense, covering the whole value chain.

We invite Dutch, Belgian, German and other international membrane researchers, developers, technology providers, equipment & system manufacturers and end-users to share their latest results and membrane related experiences.

The unique format of combining a large number of posters with selected presentations is designed to form a meeting place for the international membrane world.

Call for posters

We hereby invite you to present one or more posters on the following topics:

- Membrane Formation / Modification / Characterization
- Ultrafiltration / Microfiltration
- Pervaporation / Gas Separation
- Aqueous Reverse / Forward Osmosis / Nanofiltration
- Organic Solvent Nanofiltration

- Electrically Driven Membrane Processes
- Membrane Reactors
- Applied and Hybrid Membrane Processes

If you intend to present a poster, please fill in the poster title and name(s) of the author(s) when you register and specify the subject of your poster.

Deadline for poster title submission is January 17th 2020

After registering and in case of positive evaluation by the committee you will receive an email with a link to enable you to upload your poster.

The poster should be presented on the event day in A0 size, "portrait style". You have to bring your A0 printed poster yourself and place it on the indicated board between 10:00 h and 10:30 h.

The three best posters will be awarded a prize at the end of the day. Two awards will be given to scientific posters and a third award to an industrial poster. Posters uploaded before Jan 24th will take part in the contest for Best Poster Award. Posters uploaded after Jan 24th can be presented on Feb 7th but will not take part in the contest.

All posters will be collected digitally and made available to all participants after the event.

Programme

10:00 h	Registration & coffee
10:30 h	Welcome & announcements <i>Prof. Stefan Panglisch, DGMT</i>
10:45 h	Innovative membrane development at KU Leuven <i>Prof. Ivo Vankelecom, KU Leuven</i>
11:30 h	Trends and Developments in ceramic membrane manufacturing and modification <i>Peter Bolduan, atech innovations</i>
12:15 h	Lunch with poster session 1
14:00 h	Need for membranes with a better selectivity, better module design and higher log removal credits <i>Prof. Emile R Cornelissen, KWR</i>
14:45 h	Recent developments in membrane separation – from gas separation to organic solvent nanofiltration <i>Dr. Peter Kreis, Evonik Technology & Infrastructure</i>
15:30 h	Poster session 2
16:30 h	Poster awards and pitch of winners
16:45 h	Networking and reception
18:00 h	End
